

SPIDER BIT THE BABY

Traditional Fiddle Tune Recorded by Kenny Baker
Lyrics Provided by Lani Nielsen

One day, spider bit the baby.
One fine day, made her mamma cry,
One day spider bit the baby,
Daddy took his shoe and he said "You going to die!"

One day spider bit the baby,
Baby is a tough one, didn't even cry,
One day baby bit the spider,
Ate him for her dinner,
Little spider had to die.

Spider best be watchin, when the baby bites you back.
Spider best be watchin, or you'll be a baby snack!

Best watch out, don't mess with the baby!
Best watch out, don't mess with her dad!
Best watch out, silly little spider.
Ain't no match for the baby and her dad!
